## CAUTION.

Parts of genuine Austin Manufacture only should be used when a replacement is made, to ensure that the service given by the original high quality of the car parts shall be maintained by the replacement. Imitations cannot be relied upon to do this.

If imitations are used, the Company's guarantee is infringed and becomes null and void.

Always get your replacements from authorized Austin Dealers, as they stock only genuine Austin Spare Parts.

Should repairs be executed by other than an authorized Austin Dealer, for safety's sake, always obtain a guarantee that genuine Austin Spare Parts are used.

## INDEX

This list applies to cars bearing chassis numbers 81,016 and upwards

## MANUFACTURERS' WARRANTY

**T**HE goods manufactured by the Austin Motor Company Limited (hereinafter called "the Company") are supplied with the following express Warranty which excludes all warranties conditions and liabilities whatsoever implied by Common Law Statute or otherwise that is to say:—

In the event of any defect being disclosed in any part or parts of the goods and if the part or parts alleged to be defective are returned to the Company's Works carriage paid within 6 months from the date when the goods were delivered new to the retail customer the Company undertakes to examine same and should any fault due to defective materials or workmanship be found on examination by the Company it will repair the defective part or supply free of charge a new part in place thereof. This Warranty is limited to the delivery to the purchaser free at the Company's Works of the part or parts whether new or repaired in exchange for those acknowledged by the Company to be defective.

The Company gives no warranty of the goods except as herein stated but desires and expects that customers shall make a thorough examination before purchasing. Persons dealing in the Company's goods are in no way the legal Agents of the Company and have no right or authority to assume any obligation on its behalf express or implied or to bind it in any way.

For the purpose of this Warranty the term "goods" means and includes new cars or vans or chassis or parts thereof including replacement parts manufactured by the Company. It does not include tyres, speedometers, meters or Electrical Equipment or other proprietary articles or goods (including coach work) not of the Company's own manufacture although supplied by the Company. Proprietary articles are covered by the warranty (if any) given by the separate manufacturers. On second-hand goods no warranty is given by the Company or is to be implied.

The Company's responsibility is limited to the terms of this Warranty and it shall not be answerable for personal injuries or consequential or resulting liability damage or loss arising from any defects. This Warranty shall not apply to defects caused by motor racing, wear and tear, misuse or neglect or to the defects in any goods which have been altered outside the Company's Works or which have been let out on hire or the identification numbers or marks on which have been altered or removed.

This Warranty is dependent upon the strict observance by the Purchaser of the following provisions:—

The Purchaser shall at the time of purchase personally sign the form supplied by the Company and register his name address date of purchase price paid and car and chassis numbers and name and address of Seller with the Company and shall obtain from the Company a signed copy of this Warranty and shall produce same to the Company's representative for inspection in case of any claim being made. This Warranty shall not be assigned or transferred to anyone unless the Company's consent in writing has first been obtained.

The Purchaser shall send to the Company's Works such part or parts as are alleged or claimed to be defective promptly on the discovery of the claimed defect. Transportation is to be prepaid by the Purchaser and said part or parts to be properly packed for transit and clearly marked for identification with the name and full address of the Purchaser and with the car and chassis numbers of the vehicle from which the said part or parts were taken.

The Purchaser shall post to the Company at its Works on or before despatch of such part or parts alleged to be defective a full and complete description of the claim and the reasons therefor.

The judgment of the Company in all cases of claims shall be final and conclusive and the Purchaser agrees to accept its decision on all questions as to defects and to the exchange of part or parts. After the expiration of six days from the despatch of notification of the Company's decision, the part or parts submitted may be scrapped or returned carriage forward by the Company.

## TERMS OF BUSINESS

**All Austin Agents carry stocks of genuine Austin replacements, and applications for spare parts should be made to them. Clients will then be certain that the replacement is made by parts supplied by The Austin Motor Company and carrying their high reputation for quality and workmanship.**

Correspondence with the Company relating to Spare Parts, Accessories, and Replacements should be addressed to the Service Department.

All Prices are "at works," carriage or postage extra.

Packing cases charged if not returned carriage paid to the Company's works within 28 days.

Quotations hold good for 14 days from date, but those in respect of proprietary articles are subject to any alteration made by the makers in their list prices.

Cash with order, unless purchaser already has an account with the Company or is able to furnish approved references.

Consequent upon the introduction of alterations due to improvements, the Company in no way holds itself liable or responsible as to alteration in details in respect to orders.

The Company retains the right of making alterations to this list without notice, should it be deemed necessary.

Delivery on any specified date is not guaranteed.

### TELEGRAPH AND TELEPHONE ORDERS.

To protect itself against fraud, the Company is compelled to decline to deliver goods ordered by telegram or telephone to the address of any persons unknown to it, unless covered by telegraphic remittance.

### DAMAGE IN TRANSIT.

The Company does not hold itself responsible for goods lost or damaged in transit. All packages, upon receipt, should be signed for as "unexamined," and in the event of loss or damage to the contents, claim made upon the carriers without delay.

Give car number and quote works numbers of spare parts.

# EQUIPMENT

THE AUSTIN MOTOR CO., LTD., accept no liability under the terms of their Warranty for Tyres, Speedometers, or the Electrical Equipment, or other Goods, including Coachwork, not of their own manufacture.

All claims relating to any of these parts or fittings or orders for repairs to them should be addressed to their manufacturers.

For our clients' convenience, we give below the names and addresses of the manufacturers, or suppliers of the goods in question.

**IMPORTANT.**—When claims under guarantee are being made, it is absolutely necessary to quote the type and number of car, and also the commissioning date.

## MAGAZINE

contains many useful hints designed to help the owner driver to do those "little attentions" that mean so much toward getting the best from his car.

Also there are detailed descriptions of the bigger jobs that can be tackled at home, explained in simple language, and properly illustrated.

There are special features, interesting stories by popular writers, travel and sports articles, and "motoring miscellanea."
